

3 INCREDIBLE NEW THRUSTING STROKERS

BRAND MESSAGING

Take Your Pleasure to the Next Level! Inspired by the overwhelming popularity of Pipedream Extreme, PDX ELITE will elevate male pleasure even further with the most advanced male masturbation collection ever created!

MARKETING RESOURCES

Product images, dimensions, videos, and marketing materials are all available at pipedreamproducts.com

KEY TARGET CONSUMERS

According to a large U.S. marketing firm, in recent surveys 95% of men admit to masturbating. 40% of those men admit to masturbating daily, while 55% confirm masturbating at least once every week. Men top women when it comes to solo sex frequency, and this premium male-focused PDX ELITE collection was created for those men who want the best masturbation experiences available.

Stroker!**

Moderate Thrusting Speed

MOTO BATOR X

The Moto Bator X elevates masturbation with powerful piston-action thrusting for the ultimate stroker experience. It's a perfect storm of sensation for heightened solo sex sessions that can be customized to your personal moods! Get ready for explosive hands-free thrusting surrounding your penis with rows and rows of soft pleasure nubs. Your ultimate masturbation experience is ready when you are!

KEY PRODUCT FEATURES

- **High-powered Piston-Action Thrusting**
The ultra-strong motor provides 5 deep & pleasing thrusting modes.
- **Removable Soft & Stretchy Sleeve**
The super-stretchy and soft sleeve is lined with rows and rows of stimulating pleasure nubs. Pleasantly warms to your body temperature and is removable for solo fun and easy cleaning.
- **Erectile Dysfunction Aid**
Regular masturbation strengthens pelvic floor muscles, helping to prevent erectile dysfunction (ED) in men. Edging, the practice of purposely delaying orgasm, can build sexual stamina and can help with ED by encouraging healthy blood flow to the penis.

ADDITIONAL PRODUCT FEATURES

90 Day Limited Warranty

QUICK START GUIDE

Quick Start Guide: To turn on press and hold the power button for 3 seconds, thrusting will begin. Pressing (T) will alternate between the 5 thrusting modes. Press and hold the power button for 3 seconds to turn OFF.

| Thrusting: | 2 Speeds |
| Suction: | 3 Modes |
| Power Source | |
| Rechargeable Lithium Battery (USB Charging Cord) 150 Minute Charge Time = 90 Minute Run Time | |

Completely Internal Thrusting!

A powerful piston pushes two rows of beads up and down the internal sleeve, massaging every inch of your penis. Unlike other thrusting products, the mechanics are completely internal so there is no push-back when the action heats up.

MOTO BLOWER

The Moto Blower doesn't just stroke you like ordinary masturbators, it combines incredible suction and vibration with a super-smooth automatic stroking motion! The internal thrusting mechanism is completely hidden inside and features 2 metal "gripping" rings around the sleeve that stroke and squeeze your shaft. Each ring is lined with a row of pleasure beads that roll up and down your rod, while the super-soft TPR sleeve wraps around every inch.

The rechargeable motor offers professional-grade performance with 2 levels of intense stroking speeds, 3 powerful suction modes, and 5 thrilling vibration patterns that will drive you wild! Slide into the tight TPR sleeve and surround your shaft with rows and rows of soft pleasure nubs, then personalize your pleasure with the press of a button. Your ultimate blowjob experience is ready when you are!

KEY PRODUCT FEATURES

- **High-powered Piston-Action Thrusting**
The ultra-strong motor (activated with the T button) powers 2 rows of beads (with 2 speeds) that massage every inch of your penis with each internal thrust.
- **Powerful Vibrations**
5 patterns of intensely satisfying vibrations (activated with the V button) heighten your experience.
- **Removable Soft & Stretchy Sleeve**
The super-stretchy and soft sleeve is lined with rows and rows of stimulating pleasure nubs. Pleasantly warms to your body temperature and is removable for solo fun and easy cleaning.
- **Intense Suction**
3 modes of stimulating suction (activated with the S button) that snugly tugs your most sensitive area. Press the release button (R) to experience extra pulsing excitement.
- **Erectile Dysfunction Aid**
Regular masturbation strengthens pelvic floor muscles, helping to prevent erectile dysfunction (ED) in men. Edging, the practice of purposely delaying orgasm, can build sexual stamina and can help with ED by encouraging healthy blood flow to the penis.

ADDITIONAL PRODUCT FEATURES

90 Day Limited Warranty

QUICK START GUIDE

Powerful Suction: Press the (S) button to start suction. Press the button to cycle through the 3 modes of suction Press and hold the (S) button for 3 seconds to turn OFF. Quick Release - Press the (R) button to immediately release suction, or pulse the (R) button for extra stimulation.

Stimulating Vibration: Press and hold the (V) button for 3 seconds to start the stimulating vibration. Pressing (V) will cycle through all of the 5 vibration modes. Press and hold the (V) button for 3 seconds to turn OFF.

Internal Hands-Free Thrusting:

Press and hold the (T) button for 3 seconds to start the hands-free thrusting. Pressing (T) will alternate between high and low thrusting speeds. Press and hold tagain for 3 seconds to turn OFF.
